THIS CANDIDATE GUIDE IS INTENDED TO PROVIDE general information for candidates and committees and does not have the force and effect of law, regulation or rule. It is distributed with the understanding that the Registrar of Voters of the County of Stanislaus is not rendering legal advice. This handbook is not intended to be a substitute for legal counsel for the individual, organization or candidate using it. In case of conflict, the law, regulation or rule will apply.

THE REGISTRAR OF VOTERS STRONGLY recommends that any prospective candidates obtain legal advice to assist in complying with the applicable California laws, including California Elections Code and Government Code.

CODE REFERENCES made in this guide, unless otherwise stated, are to the California Constitution and Statutes. California legal code references in this guide include:

- Business and Professions Code (B&P)
- Education Code (ED)
- Elections Code (EC)
- Government Code (GC)
- Health and Safety Code (H&S)
- Insurance Code (IC)

- Revenue and Taxation Code (R&T)

The term E-DATE stands for Election Day. E-Dates have been used throughout this guide to indicate important dates and deadlines. These dates are the number of days prior to or after an election date. Example: E-88 means E minus 88 days and would be 88 days prior to an election, and E+28 means E plus 28 days and would be 28 days after an election. This type of date is often used in Elections Code to avoid any variance from one election to the next. Refer to the election calendar for guidance as to what actual date the indicated E-Date falls on.

****NOTICE TO CANDIDATES****

All information in this guide is subject to change.

No duty is imposed upon the Office of the Registrar of Voters to determine whether a candidate meets the requirements for holding office. The Declaration of Candidacy, which each candidate must sign under penalty of perjury, states that the candidate meets the statutory and/or constitutional qualifications for office including, but not limited to, citizenship, residency, etc.

This guide is intended to provide general information concerning the nomination and election of candidates and does not have the force and effect of law, regulation or rule. It is distributed with the understanding that neither the Secretary of State nor the Office of the Registrar of Voters is rendering legal advice, and, therefore, this information is not to be a substitute for legal counsel for the individual, organization or candidate using it. In case of conflict, the law, regulation or rule will apply.

Unless otherwise indicated, all code section references are to the California Elections Code (EC).

LEGISLATIVE CHANGES

Every year, new laws are introduced that could impact the current rules and processes of candidate filing. If applicable, newly enacted laws will be implemented prior to the nomination period without further notification to ensure our candidate filing process remains in compliance with updated law, regulation and rule.

HOW TO COUNT WORDS

(EC 9)

Listed below are the guidelines specified in Elections Code 9 for counting the number of words submitted on any document whose content is limited by statute, such as candidate statements:

Count as one word:

Punctuation: Punctuation is not counted.

Proper Nouns: All proper nouns, including geographical names, will be counted as one word. For example, "County of Stanislaus" will be counted as one word.

Abbreviations: Each abbreviation for a word, phrase or expression will be counted as one word.

Hyphenations: Hyphenated words that appear in any generally available standard reference dictionary will be considered as one word. Each part of all other hyphenated words will be counted as a separate word.

Dates: Dates will be counted as one word.

Numbers: Any number consisting of a digit or digits will be considered as one word. Any number that is spelled will be considered as a separate word. "100" will be counted as one word, whereas "one hundred" will be counted as two words.

Telephone & Internet: Website addresses and telephone numbers are one word.

Percent, Etc.: It is department policy to count numbers consisting of a digit or digits used with a dollar sign (\$), cent sign (¢), percentage sign (%) or number sign (#) as one word.

Examples:

Category	Example	Word Count
Acronyms and abbreviations	CSUS, C.S.U.S., Nov., etc.	One

ADVANCE PAYMENT FOR CANDIDATE STATEMENTS

(EC 13307(d))

The required deposit is an estimation of the total prorated cost of printing, handling, translating and mailing the 1/4 page candidate statements. This estimated cost is due upon filing the statement. Cost of the statement will double if the candidate statement extends beyond the allotted 1/4 page space.

Make checks payable to: **Stanislaus County Clerk-Recorder.**

If the actual cost is less than the deposit, you will receive a refund. If the actual cost is more than the deposit, you will receive an invoice for the difference and are required to pay the balance upon receipt of the invoice. It can take up to 3 months to produce a refund or invoice. In the case of a shared county district it is the responsibility of the candidate to contact each county involved and establish their costs and formatting restrictions. The Stanislaus County Registrar of Voters does not accept candidate statements or statement fees on behalf of other counties.

COST TABLE FOR CANDIDATE STATEMENTS

(This cost estimate includes printing charges for both the English and Spanish languages.)

Number of Registered Voters in District	Deposit Amount Required
1 - 5,000	\$750
5,001 - 25,000	\$1,000
25,001 - 50,000	\$1,250
50,001 - 100,000	\$1,500
100,001 - 150,000	\$2,250
150,001 - 200,000	\$2,750
201,000 and over	\$3,250

The estimates quoted above are based on a 200-word statement formatted to fit within the allotted 1/4 page space. Costs may vary depending upon the number of candidates who file a statement for the same office, number of ballot types in the district, number of pages in the various County Voter Information Guides and number of registered voters who will be receiving the various County Voter Information Guides. These variables may cause actual costs to vary significantly from estimated costs.

INDIGENT CANDIDATES

(EC 13309)

When advance payment is required for a candidate statement but the candidate alleges to be indigent and unable to pay the required deposit in advance, the candidate must submit to the county elections official a statement of financial worth to be used in determining whether or not he/she is eligible to submit a candidate's statement without advance payment. The statement of financial worth is submitted by the candidate together with the candidate's statement during the filing period. The Statement of Financial Worth forms are available at the county elections official's office and will be furnished upon request. The Statement of Financial Worth form should be filed with a copy of the candidate's most recent federal income tax returns, candidate's employer, income, real estate holdings, tangible personal property and financial obligations. The candidate will certify under penalty of perjury under the laws of the State of California that the contents of the statement are true and correct.

If the county elections official determines that the candidate is indigent, his or her statement will be printed and mailed without advance payment. If the county elections official determines that the candidate is not indigent, the candidate has three days to withdraw the candidate's statement or pay the estimated deposit amount. The Registrar of Voters is not obligated to print and mail the statement if payment is not received.

An indigent candidate will be invoiced and must pay the full cost of the candidate's statement following the election. The "Statement of Financial Worth" is a public record and is available for review.

A peremptory writ of mandate or an injunction will issue only upon clear and convincing proof that the material in question is false, misleading or inconsistent with the requirements of this chapter, and that issuance of the writ or injunction will not substantially interfere with the printing or distribution of official elections materials as provided by law.

CODE OF FAIR CAMPAIGN PRACTICES

(EC 20400 - 20444)

It is the ultimate intent of the Legislature that every candidate for public office in California who subscribes to the Code of Fair Campaign Practices will follow the basic principles of decency, honesty and fair play in order that, after vigorously contested, but fairly conducted campaigns, the citizens of this state may exercise their constitutional right to vote, free from dishonest and unethical practices which tend to prevent the full and free expression of the will of the voters.

The purpose in creating the Code of Fair Campaign Practices is to give voters guidelines in determining fair play and to encourage candidates to discuss issues instead of untruths or distortions.

This is a voluntary form. Candidates are not required to sign this form in order to run for office.

Code of Fair Campaign Practices

Elections Code 20440

There are basic principles of decency, honesty, and fair play which every candidate for public office in the State of California has a moral obligation to observe and uphold, in order that, after vigorously contested, but fairly conducted campaigns, our citizens may exercise their constitutional right to a free and untrammelled choice and the will of the people may be fully and clearly expressed on the issues.

THEREFORE:

- (1) I SHALL CONDUCT my campaign openly and publicly, discussing the issues as I see them, presenting my record and policies with sincerity and frankness, and criticizing without fear or favor the record and policies of my opponents or political parties which merit this criticism.
- (2) I SHALL NOT USE OR PERMIT the use of character defamation, whispering campaigns, libel, slander, or scurrilous attacks on any candidate or his or her personal or family life.
- (3) I SHALL NOT USE OR PERMIT any appeal to negative prejudice based on a candidate's actual or perceived race, religious creed, color, national origin, ancestry, physical disability, mental disability, medical condition, marital status, age, sexual orientation, sex, including gender identity, or any other characteristic set forth in Section 12940 of the Government Code, or association with another person who has any of the actual or perceived characteristics set forth in Section 12940 of the Government Code.
- (4) I SHALL NOT USE OR PERMIT any dishonest or unethical practice that tends to corrupt or undermine our American system of free elections, or that hampers or prevents the full and free expression of the will of the voters including acts intended to hinder or prevent any eligible person from registering to vote, enrolling to vote, or voting.
- (5) I SHALL NOT coerce election help or campaign contributions for myself or for any other candidate from my employees.
- (6) I SHALL IMMEDIATELY AND PUBLICLY REPUDIATE support deriving from any individual or group that resorts, on behalf of my candidacy or in opposition to that of my opponent, to the methods and tactics that I condemn. I shall accept responsibility to take firm action against any subordinate who violates any provision of this code or the laws governing elections.
- (7) I SHALL DEFEND AND UPHOLD the right of every qualified American voter to full and equal participation in the electoral process.

I, the undersigned, candidate for election to public office in the State of California or treasurer or chairperson of a committee making any independent expenditures, hereby voluntarily endorse, subscribe to, and solemnly pledge myself to conduct my campaign in accordance with the above principles and practices.

FREQUENTLY ASKED QUESTIONS

Is your office open during the lunch hour? Yes. Office hours are 8:00 a.m. to 4:00 p.m. Monday through Friday, excluding holidays. The office remains open during lunch hours. Our office will remain open until 5:00 p.m. on all filing deadline days.

What if I change my mind about being a candidate after filing a Declaration of Candidacy?

Local nonpartisan office: Candidates may withdraw their Declaration of Candidacy prior to the close of the nomination filing period pursuant to EC 10510. Filing fees (if any) are non-refundable.

Voter-nominated office: No candidate whose Declaration of Candidacy has been filed for any primary election may withdraw as a candidate at that primary election. No candidate nominated at any primary election may withdraw as a candidate at the ensuing general election except those candidates permitted to withdraw by EC 8800-8811.

May a second party pick up or deliver my Declaration of Candidacy for me?

The candidate is required to execute the Declaration of Candidacy in the office of the county elections official unless a written statement is signed and dated by the candidate designating a person to receive the Declaration of Candidacy form from the county elections official and deliver it to the candidate. The written statement from the candidate should include language indicating that the candidate is aware that the Declaration of Candidacy must be properly executed and delivered to the county elections official in the county of the candidate's residence by the 88th day prior to the primary election or the 83rd day prior to the election **if** there is an extension to that office. **Candidates are urged to file in person.** The reasons are twofold: 1) A candidate must take an Oath of Office before a person who is authorized to administer the oath. Stanislaus County elections office staff and notaries public are so authorized. The Oath of Office is typically administered at the time the candidate files the Declaration of Candidacy as it is part of the form. 2) If there are errors or omissions on the form resulting in the document not being properly executed, the problem can be easily rectified when a candidate files in person. Improperly executed documents are not accepted for filing.

Is there a filing fee to run for office?

Federal, state, judicial and county office filing fees, when applicable, are listed in this guide.

School district and special district offices do not require a filing fee.

Municipal office filing fee information can be obtained by contacting the respective city clerk.

There is a deposit required for placing an optional Candidate Statement of Qualifications in the County Voter Information Guide.

Important Items to Remember:

The Franchise Tax Board is authorized under Section 90001 of the California Government Code to audit Campaign Disclosure Statements. The audit can include tests of the accounting records and other such auditing procedures. The purpose of campaign disclosure is to provide the public with the identity of contributors and the amounts they give, as well as the amount officeholders, candidates and committees spend. The laws passed to enforce that purpose can be challenging for the unwary, therefore some helpful tips are listed below:

- FPPC forms, manuals, filing schedules and webinars:** The FPPC website at www.fppc.ca.gov provides forms, manuals, filing schedules, help tips and now FREE webinars! It is highly recommended that new candidates and their treasurers review this helpful information.
- Be informed:** Study FPPC Information Manual 2 for Local Candidates. All candidates, including unopposed candidates, are subject to the campaign disclosure provisions of the Political Reform Act.
- Free FPPC Helpline:** The FPPC toll free Helpline at 1-866-275-3772 can answer specific questions and provide advice on campaign disclosure rules.
- Before raising or spending any money:** File FPPC Form 501 Candidate Intention Statement. A separate Form 501 is required for each election, including re-election to the same office.
- If less than \$2,000 will be raised or spent:** File FPPC Short Form 470 prior to the 1st pre-election filing deadline. No additional forms will be required unless you later exceed the \$2,000 threshold.
- If more than \$2,000 will be raised or spent:** Open a separate bank account for campaign purposes. File FPPC Form 410 Statement of Organization with the Secretary of State and a copy with your local filing officer. The Secretary of State will issue a committee number.
- Keep committee information up to date:** File an FPPC Form 410 Amendment if changes are made to treasurer, committee name, addresses, etc.
- \$50 annual fee:** The Secretary of State imposes an annual \$50 fee for all open FPPC committees. This fee is payable directly to the Secretary of State and must be paid within **10 days** of receiving \$2,000 and thereafter, before **January 15** of each year until the committee terminates. Failure to timely pay the annual fee is subject to a penalty of \$150. For questions contact the Secretary of State's office at 916-653-6224.
- Mark your calendar:** Know the filing deadlines for campaign statements and file on time! All open committees must file periodic disclosure statements that are subject to late fees and fines if deadlines are not met.
- Keep good records:** Maintain details on contributions and expenditures of \$25 or more. Refer to record keeping guidelines in FPPC Information Manual 2. It's a good idea to keep copies of all contributor checks received.
- \$100 or more in cash?** Never accept or spend \$100 or more in cash.
- Don't spend personal funds:** Any personal funds used for campaign purposes must first be deposited into your campaign bank account, unless they are used for a candidate statement published in the County Voter Information Guide and/or for a filing fee. You have a choice of depositing your personal funds into your campaign bank account as either a contribution or a loan to your committee.
- Purchases:** If any campaign goods or services are purchased, disclose sub-vendors and the amounts they were paid.

14. **Itemize contributors:** For contributions of \$100 or more including loans and in-kind contributions, you must disclose the contributor's name, address, occupation and employer.
15. **Report late contributions:** If \$1,000 or more is received from one contributor during the last 90 days before the election, disclose receipt within **24 hours**, even if the contribution is from your personal funds. Each late contribution report FPPC Form 497 must have a unique report number to be issued by the filer.
16. **Multiple contributions from one source:** Keep track of each check. Report the aggregate amount.
17. **If an agent or campaign consultant buys goods or services for the campaign:** Itemize expenditures of \$500 or more made by the agent or consultant. Make sure to always keep receipts of all purchases.
18. **Identify candidate/committee on mailings:** Include the words "paid for by" and your committee name and campaign address in at least 6-point type on the outside of all mass mailings (more than 200 pieces) and on at least one insert in a color that contrasts with the background. No newsletter or other mass mailing can be sent at public expense.
19. **Disclose original loan sources:** List any loan, even a personal loan to the candidate, all or partly used for the campaign. Also disclose all loan guarantors of \$100 or more.
20. **No personal use of campaign funds:** Use campaign funds only for political, legislative or governmental purposes.
21. **Where to file:** Statewide, legislative and judicial offices file with the Secretary of State and a copy with the county of domicile. Local district offices file with the county elections office and municipal offices file with their city clerk.
22. **Tax ID number requirement:** The FPPC does not require a tax ID number; however, some banks may require one in order to open a campaign bank account. A tax ID number may be requested through the Internal Revenue Service website at <http://www.irs.gov>

23. **State contribution limits:** The FPPC website provides annual charts for state contribution limits and state voluntary expenditure limits.
24. **Gifts, meals and travel:** There are special reporting rules for candidate controlled committees when reporting expenditures for gifts, meals and travel. Restrictions and detailed information can be found in FPPC Information Manual 2.
25. **Ready to close your committee?** Filing requirements for open committees do not automatically terminate when activity ceases or when an officeholder vacates the office. You must file an FPPC Form 460 Termination Statement showing a zero balance AND an FPPC Form 410 Termination Statement to stop future filing obligations.

The FPPC website at www.fppc.ca.gov provides detailed and up to date information to help you navigate the highly complex campaign disclosure rules and requirements. The "Campaign Rules, Forms & Manuals" link provides access to many detailed and easy to read resources such as election specific filing deadlines, fast facts, frequently asked questions and all of the necessary forms and manuals. The newest addition to the resources offered is **FREE WEBINARS!** We highly recommend all new candidates and their campaign treasurers take advantage of the free tools and information provided by the FPPC.

Redesignating Surplus Funds for Future Election to Same Office

C. Candidates Using Leftover Campaign Funds for a Future Election

A local candidate or officeholder may use leftover campaign funds for a future election so long as the funds are not considered “surplus funds” and the requirements below are met. **Campaign funds become surplus on the 90th day after the closing date for the postelection reporting period or upon the 90th day after the date of leaving office, whichever occurs last.** Surplus campaign funds are subject to restrictions, as described in Chapter 5, and may not be used for a future election.

Ex 12.2 - John Davis lost the city council election in November. John has \$3,500 remaining in the campaign bank account and is considering seeking another city council position in two years. In order to use the remaining \$3,500 for the future election, John must file a new Form 501 (Candidate Intention Statement) and redesignate the bank account to a future election by amending the Form 410 (Statement of Organization) to indicate the new office sought and year of election. This must be done within 90 days after the end of the postelection reporting period for the November election.

QUICK TIP: Candidates should also check with the city or county to determine if there are local restrictions for redesignating or transferring campaign funds.

Stanislaus County defaults to FPPC guidelines.

Running for the Same Office

To use money remaining in the campaign bank account for a future election to the **same office** before the funds become surplus, a local candidate **not subject to AB 571** may redesignate their committee and campaign bank account by:

- Filing a **new Form 501 (Candidate Intention Statement)** for the specific future election; and,
- Filing an **amended Form 410 (Statement of Organization)** to reflect the redesignation for the future election.

Redesignating Surplus Funds for Future Election to a Different Office

QUICK TIP: Candidates should check with the local jurisdiction to determine if there is a local ordinance with separate redesignation requirements.

Running for a Different Office

To use money remaining in the campaign bank account for a future election to a different office before the funds become surplus, a local candidate must:

- File a **new Form 501 (Candidate Intention Statement)** for the specific future election;
- File a **new Form 410 (Statement of Organization)**; and,
- Open a **new bank account**. So long as the funds are not surplus and there are no local restrictions, the campaign funds from the other account may be transferred to the new bank account.

Ex 12.3 - Jayna Chacon is a city council member who plans to run for county supervisor in the next election. Jayna would like to use the remaining funds in the city council committee bank account for the county election. Jayna must file a new Form 501 before soliciting or receiving contributions for the county supervisor election. Jayna must also file a new Form 410 and open a new bank account. The city council committee campaign funds must be transferred to the county supervisor campaign bank account within 90 days after the date Jayna leaves the city council position.

CAMPAIGN DISCLOSURE INFORMATION (FPPC FILINGS)

(GC 84200)

It is the responsibility of candidates and/or committees to be aware of and to file the required campaign disclosure statements in a correct and timely manner. California Fair Political Practices Commission Recent Campaign Changes to the Political Reform Act

What's
new?

Every year legislative changes are made to the campaign provisions of the Political Reform Act (Act). Below are just a few changes that we think may have an impact on candidates in the upcoming election and are based on FPPC update. To review all effective changes, Visit www.fppc.ca.gov > Learn > What's New

This is NOT a complete list of all of the regulatory changes; therefore, we strongly recommend you visit the FPPC website for complete and updated information on FPPC rules and regulations.

Recurring Contributions - (AB 775 (Berman) - Chapter 942, Statutes of 2022.)

Requires a candidate or committee to obtain affirmative consent from a person making a recurring contribution at the time of the initial contribution and would require solicitations for recurring contributions to be in a form that requires affirmative consent. The bill requires improperly solicited contributions to be returned within 14 days, as provided. The bill requires a candidate or committee that accepts a recurring contribution to provide a receipt for each contribution, provide information necessary to cancel the recurring contribution, and immediately cancel a recurring contribution upon request. This bill is operative on January 1, 2023

Paper Filings with Secretary of State (SOS) - (AB 2172 (Cervantes) – Chapter 328, Statutes of 2022.)

Allows a person required to file a report or statement by paper with the SOS to instead file by email with a digital signature or other digital means as prescribed by the SOS. For a person that files by paper, the bill eliminates the requirement to file a copy along with the original filing. This bill is operative on January 1, 2023.

Excessive Contributions - (SB 794 (Glazer) – Chapter 816, Statutes of 2022.)

Authorizes a committee that receives a contribution with actual knowledge that the contribution is over the applicable contribution limit in the Act to return the contribution or attribute the portion in excess of the limit to another election within 72 hours of receipt or before the date of the election, whichever is sooner without violating contribution limits. The bill prohibits a committee from using the excessive contribution prior to returning or attributing it and caps the amount of a contribution that may be accepted pursuant to this bill at twice the applicable limit. The bill requires a committee that receives an excessive contribution to provide certain information to the contributor. The bill also codifies an existing regulation allowing the return of contributions within 14 days if the committee does not have actual knowledge that the contribution exceeds the applicable contribution limit and expands this existing rule to allow attribution of the excess amount to another election within 14 days in the case the excess contribution was not deposited or not allowed to be deposited with actual knowledge that the contribution exceeded the applicable limit. This bill is operative January 1, 2023

Contributions to Local Government Agency Officers – Disqualification - (SB 1439 (Glazer) – Chapter 848, Statutes of 2022.)

Existing law under the Act prohibits an officer of an agency from accepting, soliciting, or directing a contribution of more than \$250 from any party, participant, or a party or participant's agent, while a proceeding involving a license, permit, or other entitlement for use is pending before the agency and for 3 months following the date a final decision is rendered in the proceeding, if the officer knows or has reasons to know that the participant has financial interest, as defined. The Act also prohibits a party, participant, or participant's agent from making a contribution of more than \$250 to an officer of the agency during the proceeding and 3 months following the date of the final decision. Additionally, an officer may be disqualified from participating in a decision when, prior to making the decision, a party or participant in a proceeding made a contribution of more than \$250 to an officer within the preceding 12 months if the officer knows or has reason to know that the party or participant has a financial interest in the decision. The Act exempts certain entities from these requirements, including local government agencies whose members are directly elected by the voters. This bill removes that exception for local government agencies making them subject to the \$250 contribution prohibition. The bill additionally extends the prohibition on contributions from 3 to 12 months following the date a final decision is rendered in the proceeding and allows an officer to cure a violation for an improper contribution accepted after the proceeding by returning the contribution within 14 days if the acceptance was not knowing and willful. This bill is operative January 1, 2023

Local Candidate/Committee Checklist

○ File Form 501 (Candidate Intention)

You must file [Form 501](#) before soliciting, raising or spending any money in connection with your election. The only exception to this requirement is if you use personal funds to pay a filing fee or ballot statement fee.

Candidates Raising and Spending Less than \$2,000

○ File Form 470 (Officeholder and Candidate Campaign Statement Short Form)

The [Form 470](#) is filed by candidates who do not have a controlled committee and do not anticipate receiving or spending \$2,000 or more, including personal funds, in a calendar year. These candidates generally do not file a Form 410 or other campaign statements or reports related to their campaign unless they receive or anticipate receiving or spending \$2,000 or more.

Candidates Raising \$2,000 or More

○ File Form 410 (Statement of Organization)

Once you receive or spend \$2,000 or more in a calendar year, you must file a [Form 410](#) as a recipient committee within 10 days of qualifying. File the original and one copy of the Form 410 with the Secretary of State and a copy with your local filing officer. The Secretary of State's address is on the Form 410.

○ Open a Campaign Bank Account

All monetary contributions (including all personal funds you use for your campaign) must be deposited in the campaign bank account before being spent. Never deposit campaign contributions in your personal bank account.

○ Committee Treasurer

The Act requires that every committee appoint a treasurer. The individual listed on the most recent Form 410 with the Secretary of State continues to be legally responsible until an amendment is filed to designate a new treasurer. Please note a candidate may act as his or her own treasurer.

○ File Campaign Statements

You must file campaign statements ([Form 460](#)) disclosing the committee's activity during a specified period. Please access the Commission's filing schedules to find the schedule that applies to you/your election. Committees are required to file campaign statements as well as other reports including semi-annual campaign statements until the committee terminates.

○ 24-Hour Reports

Within 90 days before the election, including the date of the election, if a committee receives a contribution(s) of \$1,000 or more from a single source, including loans from the candidate, the [Form 497](#) must be filed within 24 hours.

○ Local Campaign Contribution Limits

Make sure you are aware of any local contribution limits before accepting contributions.

○ After the Election

Following the election, your duty to file campaign statements continues until your committee terminates. In order to terminate, you must file a Form 460 with your local filing officer reporting a zero balance AND a Form 410 indicating the termination with the Secretary of State's Office and a copy with your local filing officer.

This factsheet provides guidance and a general overview of the rules for campaigns, but it does not replace any requirements under the [Political Reform Act](#) or [Fair Political Practices Commission Regulations](#). Information here should be used in conjunction with a careful review of the applicable laws.

TERMINATING YOUR COMMITTEE

For local candidates

YOU MAY TERMINATE IF:

(All the following criteria must be met.)

- You have filed all required campaign statements.
- Your final campaign statement has a \$0 balance.
- You do not anticipate receiving further contributions.
- You do not anticipate making further expenditures.
- You are not expecting a refund for filing or ballot statement fees paid from committee funds.

FORMS TO COMPLETE:

In addition to checking the appropriate "Type of Statement" box, remember to check the "Termination" box on all termination statements.

- Form 410 – File original with the Secretary of State (SOS) and a copy with your local filing officer
- Form 460 – File original with your local filing officer

REMEMBER:

- Form 460 Semi-Annual Statements are due **January 31** and **July 31** (or next business day).
- Funds become surplus 90 days after the end of the semi-annual reporting period.
- Terminate by **December 31** to avoid paying next year's \$50 annual fee to the SOS.
- Verify if your local jurisdiction has campaign ordinances with additional requirements other than those imposed the Political Reform Act.

BUT WHAT IF...

I filed a Form 470 (Officeholder and Candidate Campaign Statement - Short Form)?

Defeated candidates who filed the Form 470 have no reporting obligations after the election if they did not raise or spend \$2000 or more during the election.

Successful candidates (officeholders) who filed the Form 470 and who do not raise or spend \$2,000 or more during the calendar year are required to file the Form 470 by July 31 each year if their elected position pays them \$200 or more per month.

Judges who filed a Form 470 should contact their filing officer for filing requirements.

I still have funds in my campaign bank account?

Until the funds become surplus, you may use campaign funds for political, legislative, or governmental purposes. You may also donate funds to bona fide charitable, educational, civic, religious, or similar tax exempt, non-profit organizations. The donation may not personally benefit the candidate, treasurer, or his/her spouse or dependent children.

I have outstanding debt?

You may file your termination statements showing outstanding debt. In doing so, you are declaring that you do not have the ability to discharge debts, loans, or other obligations. If you wish to continue fundraising, you may not terminate the committee.

I need more information?

About Us

Who We Are

The Stanislaus County Registrar of Voters ensures that voters determine the leaders and laws that govern the community. The Registrar of Voters, part of the County Clerk-Recorder Department, plays a vital role by registering voters, accepting candidate nominations and conducting elections. Each election, the Registrar of Voters recruits and trains over 700 poll workers who get an interesting look behind the scenes at election time. This is especially valuable for high school students, who may qualify for school credit and earn a monetary stipend as they learn about the democratic process. The Registrar of Voters also verifies petition signatures; some petitions help candidates qualify for the ballot and others call for a change in the law.
